

## Universidad de la Costa -CUC- Vice-cancellor of Extension Internacionalization Department

### Call to present papers

In the XIV edition of VISION, the national and international scientific community is invited to present their work on topics related to the main theme of the Conference, which aims to constitute a space to analyze the role of higher education institutions in the promotion and development of new approaches, through education, research, and social projection activities, to contribute to the accomplishment of the Sustainable Development Goals and to spread the advances, impacts, and achievements in the course of the pandemic by cause of SARS-COV 2 virus - (COVID-19).

### Conference topics include:

- Sustainable consumption of energy, water, and raw materials:
  - Current and future impact of the pandemic on the energy sector.
  - Resource efficiency and cleaner production.
  - Contribution of universities to cleaner energy accessible to all.
  - Contribution of the universities to mitigate the environmental impacts of the industrial and service sectors.
- **Sustainable management of coastal zones:**
  - Management and remediation of coastal areas.
  - Contribution of universities to develop, promote and implement sustainable management approaches of coastal zones.
- **Economic, social, and environmental issues.**
  - Learnings from the COVID-19 pandemic. Resilience from the universities.
  - New social dynamics, ICTs, and digital transformation.
  - Circular economy
  - Contribution of universities to the sustainable improvement of health and well-being.
  - Contribution of universities to reduce gender and economic inequalities.
  - Contribution of universities to the promotion of local development approaches, peace, justice, and institutional strengthening.

Contributions may be of two types: Abstracts and Full Text.

The Abstracts must be submitted following the **FORMAT** (<http://visioncuc.com/publicaciones>), which will be taken to the proceedings of the event and could be part of the oral presentations in simultaneous sessions to be held within the framework of the conference. These will not be included as part of the Special Issues in the associated journals unless a full version of the paper is submitted.

The complete works should be presented following the **FORMAT** (<http://visioncuc.com/publicaciones>). The best articles will be invited to be part of a Special Issue in some of the following journals: Environment, Development and Sustainability magazines with ISSN: 1387585X, 15732975 classified in Q2 of SJR, or the journal Módulo Arquitectura CUC with ISSN: 2389-7732, 0124-6542, indexed in SCOPUS.

The completed forms should be sent to the email [vision@cuc.edu.co](mailto:vision@cuc.edu.co)

For more information about the policies and guides of the publications, you can consult the following links:
